

This privacy statement is applicable to vmngenetics.com and all its affiliates. The VMP Genetics (Virtual Medical Practice, LLC) policy is to respect and protect the privacy of our users.

Personally Identifiable Information

VMP Genetics does not collect personally identifiable information about individuals except when such individuals specifically provide such information on a voluntary basis, such as by registering with VMP Genetics. VMP Genetics shall maintain appropriate safeguards, consistent with the standards of the industry, to ensure the security, integrity and privacy of information collected from individuals.

Personally identifiable information collected by or on vmngenetics.com will not be sold or otherwise provided to third parties without user consent. In addition, at the time a user provides personally identifiable information, he or she will have the opportunity to indicate whether he or she would like to "opt out" of receiving promotional and/or marketing information about other products and services from VMP Genetics. Upon request, VMP Genetics will use reasonable efforts to allow users to update/correct personal information previously submitted which the user states is erroneous to the extent such activities will not compromise privacy or security interests. Also, upon a user's request, VMP Genetics will use commercially reasonable efforts to functionally delete the user and his or her personal information from its database; however, it may be impossible to delete a user's entry without some residual information because of backups and records of deletions.

Notwithstanding the foregoing, visitors are advised that aggregate statistics on visitors will be compiled by VMP Genetics and used to conduct market research. VMP Genetics may share anonymous, aggregate data with advertising, business or promotional partners. Notwithstanding any opt out of receiving promotional information by the user, VMP Genetics reserves the right to contact a subscriber regarding account status, changes to the subscriber agreement and other matters relevant to the underlying service and/or the information collected.

Disclosure of Information

VMP Genetics shall not disclose user information or the contents of e-mail received from visitors to vmngenetics.com except: (a) in the course of normal maintenance, operation and use of vmngenetics.com by and parties with whom it has contracted to provide certain services in connection with the site (e.g. the broadcasting of security alerts or updates) and its systems; (b) when we have reason to believe that disclosing this information is necessary to identify, contact or bring legal action against someone who may be causing injury to or interference with (either intentionally or unintentionally) VMP Genetics rights or property, other vmngenetics.com users, or anyone else that could be harmed by such activities; (c) as specified by the sender of such e-mail; (d) as required by law; or (e) as otherwise specified by VMP Genetics on vmngenetics.com.

Use of Cookies

This site uses cookies for some interactive features. Cookies are specific types of information that a web site transfers to a user's computer hard drive for record-keeping purposes. Cookies make the use of a web site easier by, for example, saving passwords and preferences while a visitor is at the site. We do not use cookies to identify specific individuals except in the case of vmpgenetics.com activity. The site never uses cookies to retrieve personally identifiable information from your computer that was not originally sent in a cookie. Users should be aware that VMP Genetics cannot or does not control the use of cookies or the resulting information by third parties hosting data for VMP Genetics. Most browsers will automatically accept cookies. You can set your browser or Internet security appliance to reject cookies. Please be advised that some parts of the web site may not function properly if the cookies are rejected.

Cookies are also used to track information about how and when visitors use the site and to see which areas are popular and which are not. Many improvements and updates to the site are based on such data as the total number of visitors and pages viewed, which information is provided through the use of cookies.

Links

Be aware that vmpgenetics.com may contain links to other sites. VMP Genetics cannot control and is not responsible for the privacy or security practices of such other sites. VMP encourages users to be aware when they leave vmpgenetics.com and to read the privacy and security statements of each web site they visit. This Privacy Policy applies only to information collected by the VMP Genetics web site.

Policy Acceptance

The foregoing policies are effective as of January 2009 to present. VMP Genetics reserves the right to change this policy at any time. This statement and the policies outlined herein are not intended to and do not create any contractual or other legal rights in or on behalf of any party.

By using this site, you signify your assent to the VMP Genetics Privacy Policy. If you do not agree to this policy, please do not use our site. Your continued use of vmpgenetics.com following the posting of changes to these terms will mean you accept those changes.

Notification of Policy Changes

If VMP Genetics changes its Privacy Policy, those changes will be posted on the vmpgenetics.com home page so users are always aware of what information VMP Genetics collects, how the information is used, and under what circumstances, if any, the information may be disclosed.

If you have questions or concerns regarding this privacy statement, please contact VMP Genetics (Virtual Medical Practice, llc) at 404.793.7800.
